InvestUkraine: National Project Showcase

Dear Guests,

You are invited to join us at “InvestUkraine: National Project” showcase event for an exciting overview of the top five new investment opportunities slated to change Ukraine’s economic landscape. The State Agency for Investment and National Projects of Ukraine in association with The Embassy of Ukraine to the United States, U.S.-Ukraine Business Council (USUBC), CFA Institute, and Jaspens Capital Partners are proud to host you today at this spectacular venue.

We are honored to introduce to you Mr. Vladyslav Kaskiv, Head of the State Agency for Investment and National Projects of Ukraine and Mr. Igor Zhovkva, Director of FDI and International Cooperation Department for today’s opening address

Mr. Kaskiv in December 2010 was appointed as the Head of the National Agency for Foreign Investment and National Projects of Ukraine.

Since August 2010 occupies the position of the Head of the “National Projects” Working Group in the Committee on Economic Reforms.

In 2007, became a Member of Parliament of Ukraine, Head of Sub-Committee on Investment.

September 27, 2010 – joined the Committee on Economic Reforms.

Since December 2010 – Head of reforms section “Implementation of National Projects”.

In 2005-2006 Mr. Kaskiv worked as an advisor to the President of Ukraine. Vladyslav Kaskiv graduated from Kyiv National Pedagogical University (the Department of History) and National Academy of the President of Ukraine (the Department of Public Administration).

Please join us at this showcase event for an exciting overview of the top five new investment opportunities slated to change Ukraine’s economic landscape. This event will provide an opportunity to meet senior Ukrainian officials, understand the latest investment climate and get an early look at some of the most attractive investment opportunities available today.

The road-show presentations will feature opening remarks and will address a number of facets including the investment climate, legal requirements and provisions for investment in Ukraine, information on the State Agency (its primary tasks and functions, the ways in which Agency can contribute to the international investors' activities etc.); moreover, the top-priority National projects of Ukraine will be presented:
